

Last week marked the official transition in presidential leadership, bringing with it, a series of policies and regulations that will undoubtedly affect our organization and the communities we serve. At Alpha Nu Multicultural Sorority, Inc., our mission has always been rooted in unity, empowerment, and the unwavering pursuit of equity for historically marginalized communities.

We are wholeheartedly **against** the racist, xenophobic, and discriminatory actions that continue to target people of color, immigrants, and members of the LGBTQIA+ community. These attacks represent human rights violations that deeply contradict our core values. As an organization, we are committed to speaking out against injustice, amplifying the voices of those impacted, and providing tangible resources to support those in need.

If you or your loved ones need support with immigration concerns, family resources, or confidential advice, please don't hesitate to reach out. Together, we will continue to champion equity, celebrate diversity, and strengthen the bonds of our sisterhood.
